

HORTON DOGS

GENTLE HANDS & KIND HEARTS

- ☐ The Soft Petting Mission: I will always use my gentle hands to pet our dog on their back, shoulders, and chest. No pulling tails, ears, or fur!
- ☐ The Mealtime Manners Mission: I will let our dog eat their food and drink their water in peace. A full tummy makes a happy puppy! 🍖
- ☐ The Dream Guardian Mission: When our dog is sleeping, I will let them rest and have sweet dreams. "Let sleeping dogs lie" is our super-secret code! 😴
- ☐ The Safe Zone Mission: I will respect our dog's special space, like their bed or crate. It's their own private clubhouse!

SUPER-DUPER HELPERS

- ☐ The Water Watcher: I helped a grown-up make sure the water bowl is full of fresh, clean water today. Slurp!
- ☐ The Toy Tidy-Upper: I helped put away my toys and the dog's toys so no one trips over them.
- ☐ The Walking Wingman: I was a great walking buddy with my grown-up today, helping to hold the leash or carrying the poop bags. 🌳
- ☐ The Dinner Deputy: I helped a grown-up measure and prepare our dog's dinner. (I remembered to wash my hands!) 🍲

PLAYTIME PROS

- ☐ The Fetch Champion: I played a fun game like fetch with one of our dog's favourite toys.
- ☐ The Smart Gamer: I know that if our dog walks away or lies down during a game, it means "playtime is over for now," and that's okay!
- ☐ The Training Teammate: I helped a grown-up practice tricks like "sit" or "stay" using a happy voice and yummy rewards! 🌟
- ☐ No-Tease Zone: I will never tease our dog by pulling a toy away just as they get it or pretending to give them food. We play fair!

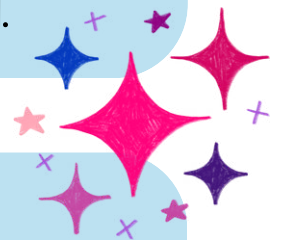

DOGGY DETECTIVES

- ☐ The "Need Space" Clue: I know that a big yawn (when not tired) or licking lips can mean, "I'm a little unsure." I'll give them some space. 🤔
- ☐ The Growl Alert: I know a growl is our dog's voice saying, "Please stop, I'm uncomfortable." I will listen, stop what I'm doing, and calmly walk away.
- ☐ Ask First, Always! I will always ask a grown-up before giving our dog a treat or a piece of my food.

HARMONY PLEDGE

"I promise to be a kind, gentle, and responsible friend to our dog. I will help keep them safe and happy, just like they do for me!"
